

Are You Ready to Get Active and Stay Active?

Children rely on us to help them learn important lessons every day. One of the most important lessons we can teach them is how to get plenty of daily physical activity. That's what the *Okotoks Grade 5 Gets Active* program is all about!

The *Okotoks Grade 5 Gets Active* is a free program initiated by Okotoks Town Council and managed by Community Services. By participating in the "Okotoks Grade 5 Gets Active" program, your child will receive:

1. A **FREE** facility pass to the Okotoks Recreation Centre from September 1 – August 31 of the following year. The pass provides the child access to all **family & public drop-in activities** such as swimming, skating, and gymnasium drop in times, facility rules apply.
2. Scheduled drop in times to the gymnasium **for grade fives only**.
3. **10% discount** on most instructional aquatic and community programs offered by the Town of Okotoks. That is 10% off most swim lessons, sports classes, art classes and more.

To participate in the program your child must be a Town of Okotoks or MD of Foothills resident, as well as enrolled in Grade 5 for the current school year. Visit us at the Okotoks Recreation Centre beginning September 1 to sign up for the program. A signed registration waiver is required and can be found on our website at <http://www.okotoks.ca/parks-recreation/recreation-support-programs/youth-initiatives/grade-fives-get-active>.

We are committed to providing recreation facilities that promote healthy lifestyle choices and believe opportunity for recreational learning and access is an important component. As your child's first and most important role model, your excitement about the program will be contagious. Visit the Okotoks Recreation Centre and the Town Website at www.okotoks.ca for more information and updates.

For any questions about the program or schedules, please call 403-938-8954, email okrec@okotoks.ca or visit our online calendar at www.okotoks.ca/recschedule.

Please join us as we "take the challenge" to ***Get Active and Stay Active!***

Sincerely,

Okotoks Grade 5 Gets Active Project Team
