Grade 5 Get Active Facility Pass Condition of Use:

1. The Grade 5 Gets Active Facility Pass includes admission for drop-in arena, pool & gymnasium activities. Facility policies regarding age minimums are in effect, please see Client Services for further information.
2. Use of the facility is subject to availability. The Okotoks Recreation Centre has planned & emergency maintenance periods every year which extend for varying periods of time depending on work to be done. Reduced schedules and activities may occur in some areas while others are closed completely. The shutdowns are built into the price of the pass and no refund or extensions will be given. Upcoming shutdown details will be advertised and posted in advance to minimize the impact of your enjoyment of the facility, however, these changes may occur with little or no notice.
3. The Town of Okotoks and/or Natural High Fitness reserve the right to revoke any passes and/or privileges associated with the pass in the event of non-compliance with facility rules and regulations or inappropriate or abusive behaviour.
4. It is a condition of participation in any recreational activity at the Okotoks Recreation Centre that the participant does so at his/her sole risk and the Town of Okotoks, Natural High Fitness, and its agents and employees are not liable in the case of property loss, damage, personal injury or ambulance/health care services/costs resulting from or in connection with such participation.

I have read and understand the conditions of the facility pass and accept its terms including receiving Okotoks Grade 5 Gets Active informational emails and/or phone calls.
